Ex. 6 - Personal Privacy can you call Alberto please and ask how many invitations have gone out? How many acceptances have they had?

These chairs do look fixed – can any area of the room be reconfigured for a roundtable discussion?

Thanks!

Thanks, Ex. 6 - Personal Privacy. The venue looks beautiful. In the pictures, the room looks very big and set up for a presentation rather than a roundtable discussion.  
How many people is IBL looking to invite?

I know the place quite well. I have been there several time. The entrance is in Piazza del Gesu, 49. There is a monumental stairwell, but also an elevator.

Mark

See Bruno Leoni invitation – they wrote down 10:00 to be sure that all the guests will be ready by 10:30 – they know we are not arriving before 10:30-45 for sure.

I suggested to include a note that the event would be in English without translation if it is such...
